Manipal College of Pharmaceutical Science**

BACKGROUND

Health care system is evolving rapidly around the globe through consolidation, corporatization and accreditation processes. Quality and safety of health care delivery plays a pivotal role in this scenario. Clinical pharmacists can catalyse the changes required in healthcare sector for adapting to the evolving system by collaborating with other healthcare providers.

ABOUT US

Manipal University

Manipal University is synonymous with excellence in higher education. Over 28,000 students from 57 different nations live, learn and play in the sprawling University town, nestled on a plateau in Karnataka's Udupi district. It also has nearly 2500 faculty and almost 10000 other support and service staff, who cater to the various professional institutions in health sciences, engineering, management, communication and humanities which dot the Wi-Fi-enabled campus. The University has off-campus in Mangalore and Bangalore, and off-shore campuses in Dubai(UAE) and Melaka (Malaysia). Every institute has world class facilities and pedagogy, which are constantly reviewed and upgraded to reflect the latest trends and developments in higher education.

ABOUT US

Manipal College of Pharmaceutical Sciences

Among the colleges in India that offer professional pharmacy education, the Manipal College of Pharmaceutical Sciences- MCOPS as it is widely known- has a unique standing. MCOPS is ranked as the best Pharmacy College in India by National Institutional Ranking Framework (NIRF) and also *ranked 1st among private pharmacy institutions in the country according to Career 360 [May 2015]*. It is presently one of the premier institutions of Manipal University. MCOPS attracts students from far and wide. The institution adheres to all quality measures in terms of imparting education to its students. No wonder then, that many of the students of MCOPS easily get GPAT scholarships for pursuing higher education.
