

7th International Conference on Clinical Pharmacy – CPCON 2022

January 07 - 08, 2022

List of Selected Abstracts for POSTER Presentations

<i>Abs #</i>	<i>Title of Abstracts</i>
Abs_00002	Profile of cognitive impairments in patients with parkinson's disease on levodopa in a tertiary care teaching hospital
Abs_00003	Effect of nutrition education program on health status of hemodialysis patients at tertiary and charitable hospitals
Abs_00004	Telehealth: benefits and challenges in India - a systematic review
Abs_00005	Transgender woman with HIV and meningoencephalopathy in a tertiary care hospital in Pune district, India: a case report
Abs_00007	Drug utilization pattern of nsaid use by self-medication and prescription
Abs_00008	Evaluation of patient and caregiver perspective on a patient education-oriented digital website for type 2 diabetes mellitus
Abs_00009	A comparative cross sectional online survey on use of homeremedies among rural and urban areas of Kerala
Abs_00010	Impact of COVID-19 pandemic on mental health among students
Abs_00011	Effect of pharmacist mediated patient counseling of hypertensive patients in tertiary care hospital
Abs_00012	Impact of the COVID-19 outbreak on the reporting of the adverse drug reaction across SAARC Nations
Abs_00013	Insomnia management by community pharmacies: a simulated patient study in Kerala, India
Abs_00014	Evaluation of prescribing pattern based on who indicators in maharashtra during COVID-19 pandemic period
Abs_00015	Vascular complications of patients in accordance to the duration and type of DM
Abs_00016	Surveillance of adverse drug reactions of a tertiary care hospital: a prospective observational cross-sectional study
Abs_00017	Assessment of prevalence, patterns and attitudes of self-medication practices among medical and non-medical students in North Kerala
Abs_00019	Drug utilization evaluation of anticoagulants and anti-platelet agents in a tertiary care setting
Abs_00021	A study to assess the knowledge, attitude, and practices of over the counter medications during COVID-19 pandemic among people residing in Pune

- Abs_00022 Cost variation analysis of anticoagulants and antiplatelet drugs in a tertiary care hospital
- Abs_00024 Assessment of chemotherapeutic regimen and associated adverse drug reactions of colorectal cancer in a tertiary care hospital
- Abs_00025 Malignant hyperthermia following succinylcholine administration: a case report
- Abs_00026 Prescription pattern of drugs used in the management of febrile neutropenia
- Abs_00027 A comparative study of allopathy and ayurveda medicines in the treatment of type 2 diabetes mellitus and their clinical impact
- Abs_00029 A retrospective cross sectional study on prescribing pattern, indications and ADR's observed due to restricted antibiotic use in a tertiary care hospital in South India
- Abs_00030 An observational study on concomitant use of intravenous iron sucrose and erythropoietin in chronic hemodialysis patients
- Abs_00031 A retrospective cross sectional study on rationality of restricted antibiotics use and the sensitivity pattern of the isolated organisms in a tertiary care hospital
- Abs_00034 Introduction of total parenteral nutrition (TPN) in a neonatal intensive care unit (NICU) of a tertiary care hospital: experience of a clinical pharmacist
- Abs_00036 COVID-19 and shift in lifestyle behaviors among adult population in Kerala: a cross-sectional survey
- Abs_00037 Assessment of safety and efficacy of colistin therapy in multidrug resistant *pseudomonas aeruginosa* and *klebsiella pneumoniae* in a tertiary care hospital in South India
- Abs_00038 Azathioprine induced pancytopenia
- Abs_00040 Evaluation of knowledge, attitude and anxiety in the population of Kerala during COVID-19: a survey based study
- Abs_00041 Critical appraisal of knowledge, attitude and practice of caregiver about administration errors of paediatric oral liquid dosage forms
- Abs_00042 Diabetic ketoacidosis precipitated by COVID-19: an intriguing concept to consider
- Abs_00043 A comparative study on knowledge of diabetes mellitus among adult in rural and urban population of Kozhikode, Kerala
- Abs_00045 Documentation of the causative organisms, antibiotics used in patients with pneumonia admitted to a tertiary care hospital during the five-year period
- Abs_00046 Calculation of pneumonia severity index of patients with community acquired pneumonia admitted to the tertiary care hospital during the five-year period
- Abs_00047 Clinical profile of patients with pneumonia admitted to the tertiary care hospital during the five-year period

- Abs_00049 Evaluation of impact of pain management on quality of life of patients using BPI scoring method
- Abs_00050 Cost analysis of OPD prescriptions in the community pharmacies during the COVID-19 pandemic in Maharashtra
- Abs_00051 Assessment of sleep quality among consumers of selected medications and substances
- Abs_00052 Prevalence and pattern use of complementary and alternative medicine(cam) among COVID-19 patients: a cross-sectional study
- Abs_00053 Safety surveillance of COVID-19 vaccine in tertiary care hospital among target population- an observational study
- Abs_00054 Prescribing practices of antibiotics in the urinary tract infection: a retrospective study
- Abs_00057 Assessment of self-medication practices among the indian population
- Abs_00058 Comparison on the pharmacotherapy of post-COVID-19 complications related hospitalization
- Abs_00059 Risk factors regarding psychological stress in medical students
- Abs_00060 Assessment of incidence and management of stress hyperglycemia in stroke patients in a tertiary care hospital of South India
- Abs_00061 Clinical pharmacist's intervention in in-patient pharmaceutical care
- Abs_00063 An evaluation on drug interactions and importance of pharmacist intervention in drug interactions-a prospective qualitative study
- Abs_00068 Dermatomyositis flare up: a case report
- Abs_00071 A prospective observational study on occurrence and recurrence of stroke in patients on treatment with different anti-hypertensives
- Abs_00072 A questionnaire based survey on knowledge, attitude and perception of health science students towards topical corticosteroids: a cross sectional survey
- Abs_00073 Knowledge, attitude and practice (KAP) survey on perception of health care professionals towards tuberculosis in a tertiary care hospital: A pilot study
- Abs_00075 Prevention and treatment of phosphate retention in ckd patients: a quasi experimental interrupted time-series study
- Abs_00076 Survey on role of healthcare professionals in reporting adverse drug reactions and analysis of ADRs documented in AMC of study hospital
- Abs_00082 Drug utilization evaluation of anticoagulant & anti-platelet drugs and assessing their safety in preventing cardiovascular diseases
- Abs_00084 Development and validation of an instrument for the evaluation of discharge medication counselling by PharmD students and its comparison with standard guidance documents

- Abs_00085 Incidence of mucormycosis in post-COVID-19 hospitalizations and its pharmacotherapeutic management
- Abs_00086 A prospective observational study on antibiotic usage in sepsis management in a tertiary care hospital
- Abs_00087 Medication information services at community pharmacies: a cross-sectional study
- Abs_00088 Levodopa and carbidopa induced sialorrhoea: a rare case report
- Abs_00089 Comparison of emerging resistance among prospective and retrospective liver cirrhosis patients with spontaneous bacterial peritonitis
- Abs_00091 Study on association and impact of diabetes in bone health at a tertiary care teaching hospital
- Abs_00092 Impact of medication adherence in minimising maternal and neonatal outcomes in gestational diabetes mellitus patients attending antenatal clinic
- Abs_00094 Study on prevalence and antimicrobial susceptibility patterns of clinical isolates in a tertiary care teaching hospital
- Abs_00095 Enhancing appropriate antibiotic use in diseases of digestive system & skin and subcutaneous tissue management in general surgery - a clinical pharmacist initiative
- Abs_00097 Analysis of prescription pattern among spontaneous bacterial peritonitis patients with liver cirrhosis with easl guidelines
- Abs_00099 Evaluation of user's perspective on readability and understanding of medicine package inserts (MPIs)
- Abs_00101 Assessment of quality of life (QoL) in schizophrenia patients: a randomized controlled study at a tertiary care hospital
- Abs_00103 Evaluation of antihypertensive prescription adherence to JNC 8 guidelines and assessment of prescribing pattern in hypertensive patients in a tertiary care hospital: a cross sectional study
- Abs_00104 A comparative analysis of efficacy of beta-lactam antibiotics in liver cirrhosis patients with spontaneous bacterial peritonitis: an interventional study in a tertiary care hospital, South Kerala
- Abs_00105 Insights into chronic lithium toxicity
- Abs_00106 Anemia among pregnant women and correlation of hemoglobin levels with child birth weight at the tertiary care hospital
- Abs_00107 Tele-services among patients with alcohol dependence syndrome: An enhanced Pharmacist-Psychiatry collaborative services
- Abs_00108 Knowledge and attitude of pharmacy students towards nuclear pharmacy in Kerala

- Abs_00111 Assessment of depression with patient health questionnaire 9 in general population during COVID-19 pandemic: a questionnaire based survey
- Abs_00112 Assessment of drugs used in paediatric department for their off-label use in a private tertiary care teaching hospital
- Abs_00113 Utilization evaluation of total parenteral nutrition (TPN) in a neonatal intensive care unit (NICU)
- Abs_00115 Acute gastroenteritis triggered pediatric immune thrombocytopenic purpura flare-up and intracranial hemorrhage
- Abs_00124 Prescribing pattern of antibiotics among neonates: an observational study
- Abs_00131 Assessment of economic burden in covid-19 patients in a tertiary care teaching hospital-a single centered study
- Abs_00133 An overview of insecticide, plant, household products, chemical, alcohol poisoning cases in a tertiary care hospital
- Abs_00134 Study of poisoning cases in a tertiary care hospital
- Abs_00135 Study on prescribing pattern of drugs in geriatrics at tertiary care hospital
- Abs_00136 Toxicological profile of drug poisoning
- Abs_00137 A study to assess compliance with nccn guidelines in the management of febrile neutropenia in oncology patients treated in a tertiary care hospital
- Abs_00138 Role of resistin in heart failure
- Abs_00141 A study of psychological impact of polycystic ovary syndrome in reproductive age women
- Abs_00142 A comparison study on management of st-elevation myocardial infraction (STEMI) and non st-elevation myocardial infraction (NSTEMI) and risk stratification using TIMI risk score
- Abs_00143 A prospective study on drug use evaluation and the effect of statins and serum cholesterol level on cognitive function
- Abs_00144 A study on prioritization of patients for medication reconciliation in a tertiary care hospital, South India
- Abs_00145 Prevalence of dyslipidemia and associated risk factors in adults: a cross sectional study
- Abs_00146 Materiovigilance in the pediatric and neonatology department at a tertiary care private corporate hospital, Coimbatore
- Abs_00147 A retrospective study on omission errors in a tertiary care hospital, South India
- Abs_00148 Assessment of depression and diabetic distress in type 2 diabetes mellitus and its relationship with glycemic control
- Abs_00149 Staphylococcal scalded skin syndrome

- Abs_00150 Effectiveness of radiation therapy and cetuximab chemotherapy for management of rectal cancer
- Abs_00151 Development and validation of written education material for pharmacy students on disposal of expired and unused medications
- Abs_00152 Analysis of new drugs approved in india - a cross-sectional study
- Abs_00153 Estimation of the proportion of preterm babies requiring laser therapy for retinopathy of prematurity
- Abs_00154 Prescription pattern of antiulcer agents in patients taking antiplatelet agents for prevention of coronary artery disease
- Abs_00155 Determination of factors for the development of acute kidney injury in paediatric patients with acute respiratory distress syndrome
- Abs_00156 A retrospective study of antithrombotic use pattern in acute coronary syndrome in a tertiary care hospital
- Abs_00157 Proportion of acute kidney injury in paediatric patients with acute respiratory distress syndrome
- Abs_00158 Assessment of clinical presentations and survival among COVID-19 patients admitted in a charitable hospital: a retrospective study
- Abs_00159 Analysing antibiotic resistance trends of gram positive organisms in the nephrology department using antibiograms
- Abs_00160 Medication adherence assessment of patients prescribed with antiulcer agents who are taking antiplatelet agents for prevention of coronary artery diseases
- Abs_00161 Prescribing trends of antibiotics in child pneumonia by using aware tool in tertiary care hospital; a retrospective study
- Abs_00162 Assessment of usage pattern and side effects associated with immunity boosters in citizen of Pune city
- Abs_00163 Identification and evaluation of globally emerging trend of antibiotic resistance in community
- Abs_00164 Evaluation of changing pattern of antimicrobial resistance of gram negative organisms with antibiograms in the nephrology department of a tertiary care hospital
- Abs_00165 COVID-19 vaccination: a cross-sectional survey of knowledge, attitude, and practices among the pharmacy students
- Abs_00166 Cost analysis of drug treatment specific for acute coronary syndrome in a tertiary care hospital
- Abs_00167 Oxygen use in preterm neonates: a prospective observational study in a tertiary care teaching hospital

- Abs_00168 A survey on COVID-19 vaccination surveillance among pharmacy professionals in a medical university at Western Maharashtra
- Abs_00170 Development and validation of written education material for pharmacy students on reporting of adverse drug reactions
- Abs_00171 Anterior horn cell disease: a rare case report
- Abs_00172 Study of drug interactions in prescriptions processed at a community pharmacy
- Abs_00174 Clinical pharmacist impact on self-medication management: an observational study
- Abs_00175 Assessment of the effectiveness of a pharmacist approach for improving disease-specific knowledge and treatment in patients with chronic obstructive pulmonary disease
- Abs_00176 Study on the current job opportunities of Pharm D graduate: an observational study
- Abs_00177 You Tube as a source of information on clinical trial: an educational initiative
- Abs_00178 Awareness of breast self examination among female students and health workers in a tertiary care hospital
- Abs_00180 Acceptance of COVID-19 vaccination and its related determinants among adult population in India
- Abs_00181 Prevalence, risk factors and assessment on symptom severity and quality of life in uterine fibroid patients: a prospective observational study
