

POSTER PRESENTATION SCHEDULE**Day 1: 06.01.2024****HEALTH ECONOMICS AND OUTCOMES RESEARCH**

S #	Poster Code	Title
1.	HO_001	Electrolyte disturbances associated with treatment strategies of diuretics vs. non diuretics in intensive care unit of tertiary care hospital.
2.	HO_002	Effectiveness and safety profile of erythropoietin in chronic kidney disease patients on hemodialysis
3.	HO_003	A cross- sectional study on health related quality of life in patients with type 2 diabetes mellitus
4.	HO_004	A stockpile of neonatal antibodies pertaining to SARS Covid (covid 19) ascertained in cord blood after complete vaccination of covishield in mother- an interventional study
5.	HO_005	The long-term impact of exposure to airborne pollutants: analyzing elderly retired power loom mill workers' lung function and symptoms.
6.	HO_006	Evaluation of polycystic ovary syndrome incidence and quality of life among young women in South India
7.	HO_007	Metabolic syndrome prevalence and its correlation with chronic kidney disease in middle-aged patients
8.	HO_008	Prevalence of change in sleep patterns among college students in association with night eating syndrome and stress
9.	HO_009	Evaluating pregnant women's knowledge, attitudes, and practices regarding antenatal care
10.	HO_010	Assessing the prevalence of early menopause and its associated lifestyle and dietary factors
11.	HO_012	Assessment of knowledge, attitude and practice toward hernia among the South Indian population
12.	HO_013	Assessment and contrast of nutritional well-being and psychological distress in pregnancy and the postnatal period
13.	HO_014	Assessment of knowledge, attitude and practice towards antibiotic usage among general public
14.	HO_015	Assessment of health-related quality of life in children with epilepsy using quality of life in childhood epilepsy questionnaire (QOLCE-55)
15.	HO_016	From skinny to plump: unveil the risk factors and alarming complications among young adults
16.	HO_017	Assess the psychological effects on students during the covid-19 pandemic and analyze the subsequent psychological progress following therapeutic interventions.
17.	HO_018	Exploring the factors affecting hypertension screening practices among elderly in rural setting elderly in rural setting
18.	HO_019	Study on assessment of patients' knowledge, attitude and practice on hypertension at a tertiary care hospital: descriptive cross-sectional observational study
19.	HO_020	Assessment of economic burden and impact of disease activity among rheumatoid arthritis patients : a prospective study in a tertiary care hospital
20.	HO_021	The impact of alcohol consumption on the risk of developing anxiety: a comparative study in young and middle aged adult.

PHARMACOEPIDEMOLOGY

S #	Poster Code	Title
1.	PE_002	A prospective study on clinical profile and prescription pattern in patients with cerebrovascular stroke in tertiary care hospital
2.	PE_003	Impact of covid-19 lockdown on the lifestyle of common man - an observational study
3.	PE_004	Analysis of prescription pattern and cost price variation of oral hypoglycemic agents
4.	PE_006	A comparative study of stroke incidence and factors influencing it among non-diabetes, prediabetes, and diabetic individuals: a perspective from the stroke risk assessment tool.
5.	PE_007	Caffeine's impact on blood glucose level in patients taking anti -diabetic medications for type - II diabetes mellitus & healthy people: randomized controlled trial
6.	PE_008	Prevalence of depression and associated risk factors among the elderly
7.	PE_009	Conversion of antibiotics from intravenous to oral and its impact on hospitalisation among diabetic foot ulcer patients

PHARMACEUTICAL CARE

S #	Poster Code	Title
1.	PC_004	Enhancing patient safety: a focus on medication error associated with novel anti diabetic drugs
2.	PC_005	Patient safety in diabetic population: a prevalence of drug interaction in the treatment of novel anti diabetic drugs
3.	PC_006	Evaluation of antibiotic prescription pattern among patients at tertiary care hospitals: antimicrobial stewardship - a need or not?
4.	PC_007	Exploring the incidence and impact of gastrointestinal symptoms in elderly individuals with type 2 diabetes mellitus treated with metformin
5.	PC_008	Assessing the impact of pharmacist intervention on enhancing knowledge, attitude, and practice in postnatal care- a community-based coss-sectional study
6.	PC_009	A comparative study between respiratory events between asthma and COPD patients
7.	PC_010	Assessing sexual dysfunction due to psychotropic medication in female psychiatric patients: a prospective study
8.	PC_011	Assessment of knowledge, attitude and practice in patients with hypertension
9.	PC_013	Questionnaire-based survey to assess the level of knowledge and awareness about drug-food interactions among pharmacy students and interns in Gujarat
10.	PC_016	Assessment of drug related problems among patients with chronic liver disease in a tertiary care hospital
11.	PC_017	Assessment of prescribing pattern of restricted antimicrobial agents in the neurology department of Aster CMI hospital, Bengaluru-92
12.	PC_018	Effectiveness of lipid lowering therapy for the secondary prevention and achievement of therapeutic goals in atherosclerotic cardiovascular diseases in accordance to ACC/AHA 2018 guidelines on management of blood cholesterol
13.	PC_019	Effectiveness of ticagrelor plus aspirin for secondary stroke prevention in patients with failure of clopidogrel and aspirin
14.	PC_020	Assessment and impact of effectiveness patient education on usage, handling, storage and disposal of opioid analgesics, a hospital-based interventional study

15.	PC_023	Assessing patient satisfaction levels with community pharmacy care services in Bangalore: cross-sectional survey study
16.	PC_024	Spectrum of infectious disease presentation based on glycated haemoglobin levels among type 2 diabetes patients
17.	PC_026	Awareness towards HPV infection and vaccination among pharmacy students and their parents at a private pharmacy college in Coimbatore.
18.	PC_027	The assessment of mortality rate of hemodialysis patients with COVID-19 along with vaccination: A retrospective study in a tertiary care hospital
18.	PC_028	The prevalence of secondary complications among rheumatoid arthritis patients along with disease severity: a cross - sectional study in a tertiary care hospital.
19.	PC_029	Medication adherence in patients with depression and anxiety: the role and impact of pharmacist interventions
20.	PC_030	Clinical pharmacist intervention in patients undergoing hemodialysis
21.	PC_031	Navigating the pharmacist's triad: exploring knowledge, attitudes, and practices in the management of infectious diseases
22.	PC_032	Safety and efficacy of vancomycin therapy in hospitalised patients
23.	PC_033	A study on pharmacological management of migraine in a tertiary care hospital.
24.	PC_034	An observational study to assess medication appropriateness in geriatric patients in a tertiary care hospital
25.	PC_036	Epidural ropivacaine versus bupivacaine for postoperative pain management in total knee replacement surgeries; comparison of safety and efficacy
26.	PC_037	An observational study on effective management of over weight in polycystic ovarian syndrome patients at a tertiary care hospital
27.	PC_038	Clinical benefits and tolerability of dapagliflozin in patients with reduced ejection fraction
28.	PC_039	A study of outcome following stroke intervention in a tertiary care hospital
29.	PC_040	A study of drug related problems (DRPS) in hospitalized patients on medication for stroke, epilepsy and parkinsonism in the department of neurology and intervention by clinical pharmacist in a tertiary care hospital, Kerala
30.	PC_044	A prospective study on medication adherence in coronary artery bypass graft surgery patients
31.	PC_045	Impact of self-management activities and patient counselling on diabetes mellitus patients
32.	PC_047	Physicians' compliance with childhood epilepsy management guidelines: impact on neurological decline and seizure recurrence in new-onset and refractory epilepsy patients.
33.	PC_048	Drug therapy satisfaction amongst elderly: a patient reported outcomes measure approach
34.	PC_049	The study evaluates the drug related problems in cervical cancer patients
35.	PC_052	Evaluation of different modalities of case-based learning - a design science approach
36.	PC_057	Evaluation of drug utilization and GI bleeding associated with anti-coagulants in cardiology department at a tertiary care hospital
37.	PC_058	Impact of prediabetes awareness education among the first-degree relatives of diabetes patients

PHARMACOVIGILANCE AND DRUG SAFETY

S #	Poster Code	Title
1.	PV_001	Assessment of adverse events associated with medical devices among respiratory patients at tertiary care hospital
2.	PV_002	Awareness level regarding adverse effects caused by cosmeceutical products among South Indian working women: a cross-sectional study

TRANSLATIONAL RESEARCH

S #	Poster Code	Title
1.	TR_001	Central dogma of anaplastic thyroid cancer
2.	TR_002	Serum autotaxin level: a promising diagnostic biomarker in differentiating graves disease and thyroiditis
3.	TR_005	Non-invasive prenatal testing: use of cell free fetal DNA in down syndrome screening
4.	TR_006	Dosage optimization of linezolid using population pharmacokinetics in South Indian pediatric population

SYSTEMATIC REVIEW AND META-ANALYSIS

S #	Poster Code	Title
1.	SM_003	Systematic review and network meta-analysis to compare the safety and efficacy profile of new anti- migraine drugs (Rimegepant, Ubrogapant, Lasmiditan) with ergot alkaloids and opioid analgesics in acute treatment of migraine
2.	SM_004	Efficacy and safety profiles of selected second-generation antipsychotics vs paliperidone with respect to placebo in the treatment of schizoaffective disorder: a network meta-analysis
3.	SM_005	Systematic review and network meta-analysis to disinter the efficacy and safety of asenapine vs selected second generation antipsychotics with respect to placebo in the treatment of acute manic episodes of bipolar 1 disorder
4.	SM_007	Systematic review on statin induced new onset diabetes mellitus
5.	SM_008	A systematic review on the application of STOPP/START criteria in geriatric patients
6.	SM_009	A systematic review to assess the requirement of vitamin D supplementation during pregnancy and lactation

RARE/INTERVENTIONAL CASE REPORTS

S #	Poster Code	Title
1.	CR_002	Telangiectasia of the colon - a case report
2.	CR_003	A case report on Sjogren syndrome with autoimmune liver disorder
3.	CR_004	A case report on nephrotic syndrome with hypovolemia in 3 year old child
4.	CR_005	Herpes zoster induced Ramsay hunt syndrome
5.	CR_006	A non-invasive treatment for two decades of chronic varicose ulcers
6.	CR_007	Unyielding resistance: a rare fatal encounter with quinupristin-dalfopristin-resistant enterococcus faecium (HLAR) in infective endocarditis
7.	CR_009	Heart in a hurry: itraconazole's sonic surge on sinus rhythms

Day 2 – 07.01.2024

HEALTH ECONOMICS AND OUTCOMES RESEARCH

S #	Poster Code	Title
1.	HO_022	An observational study to determine the impact of psychotherapeutics on anxiety and depression in newly detected cancer patients
2.	HO_023	The impact of alcohol consumption on the risk of developing depression: a comparative study in young and middle aged adult
3.	HO_024	Impact of thyroid stimulating hormone on metabolic components and quality of life in hypothyroid patients with metabolic syndrome
4.	HO_025	Outcome analysis in epilepsy patients undergoing switch-over from levetiracetam to brivaracetam
5.	HO_026	Analysis of healthcare expenditure in rural villages: a comprehensive study
6.	HO_027	Pharmacoeconomic implications of nosocomial diarrhoea in ICU patients: a single centre experience in South India
7.	HO_028	Enhancing quality of life for patients with compromised respiratory function: the impact of pulmonary rehabilitation
8.	HO_030	An interventional study on the implementation of hemodialysis safety checklist and determining its impact on the quality of life in patients with end stage renal disease
9.	HO_033	Prevalence and management of diabetic neuropathy: a cross sectional study
10.	HO_034	A prospective observational study on thyroid dysfunction in women with abnormal uterine bleeding
11.	HO_035	To assess the impact of Covid-19 on maintenance haemodialysis patient: a retrospective study in the tertiary care hospital in South Kerala
12.	HO_036	Pharmacological management of complications of chronic kidney disease patients undergoing hemodialysis
13.	HO_044	Study on effect of inhaled corticosteroids on eosinophil counts at a quaternary care center
14.	HO_047	Cost effectiveness analysis of liraglutide versus semaglutide in the treatment of type 2 diabetes mellitus
15.	HO_048	Prescribing pattern of medications among patients with ischemic heart disease
16.	HO_049	Evaluation of prescribing pattern of anti-epileptics in seizures for pediatrics at Aster CMI hospital, Hebbal, Bengaluru, 560092
17.	HO_050	Impact of multifaceted intervention on medication adherence and quality of life of post acute coronary syndrome patients.
18.	HO_051	A retrospective study on assessment of treatment response period for anti-tubercular drug therapy and risk factors in cutaneous tuberculosis at tertiary care hospital

PHARMACOEPIDEMOLOGY

S #	Poster Code	Title
1.	PE_013	An observational study on the role of mycophenolate mofetil in immune thrombocytopenic purpura
2.	PE_014	Epidemiological profile of poisoning cases at tertiary care hospital: four-year retrospective data
3.	PE_016	Pre-menstrual syndrome and impact on sleep quality and academic performance on females studying pharmacy: an exploratory study from Ooty, South India

4.	PE_017	Assessment for influences of cardiological effects in highly physically active patients
5.	PE_018	A pilot study on drug-related problems (DRPS) in retirement home residences in Tumkur district
6.	PE_020	Post-pulmonary tb sequelae: clinic-radiological, spirometry and treatment patterns at a tertiary care center in South India
7.	PE_022	Exploring the impact of combined catechins and chlorogenic acids on blood glucose levels in healthy individuals: a randomized controlled trail
8.	PE_026	Pattern of acute radiation dermatitis in breast cancer patients undergoing radiation and study of influencing factors and treatment
9.	PE_027	Evaluation of antimicrobial stewardship metrics in general surgery wards

PHARMACEUTICAL CARE

S #	Poster Code	Title
1.	PC_043	Assessment of onset time, risk, factors, and prescription pattern in patients with stroke
2.	PC_056	Effectiveness and safety of brivaracetam in comparison with levetiracetam in seizures
3.	PC_060	Effectiveness of traditional counselling vs multidimensional patient education on inhalation techniques in patients with asthma
4.	PC_061	Assessment on rational use of beta blockers in cardiology department at Aster CMI hospital
5.	PC_062	Assessment of prescribing pattern of bronchodilators among adult patient with COPD in pulmonology department of Aster CMI hospital, Bengaluru
6.	PC_066	Assessment of prescribing pattern of diuretics among patients with chronic kidney disease
7.	PC_069	A study to identify potential drug-drug interactions among psychiatry inpatients in a tertiary healthcare center
8.	PC_071	Use of antibiotics in surgical prophylaxis
9.	PC_072	Incidence of contrast induced nephropathy post percutaneous coronary intervention
10.	PC_073	Implementation and evaluation of stroke hub program and to assess its clinical outcomes in stroke patients in a multi-speciality hospital at Coimbatore

PHARMACOVIGILANCE AND DRUG SAFETY

S #	Poster Code	Title
1.	PV_004	A prospective study on the relationship between comorbidities and metformin-induced gastrointestinal symptoms in elderly patients with diabetes
2.	PV_006	An observational study to assess the safety profile of taxanes: paclitaxel, docetaxel in cancer patients.
3.	PV_007	Assessment of safety profile of immunotherapeutic agents other than immune checkpoint inhibitors in cancer patients
4.	PV_008	Evaluation of reported adverse drug reactions due to antibiotic usage: assessment of three-year data
5.	PV_009	Evaluating the risk factors and identifying pharmacological agents associated with fall risk in the elderly population
6.	PV_010	Impact of antiepileptic drugs on thyroid function and weight : enzyme inducer antiepileptics vs non enzyme inducer antiepileptics

7.	PV_011	Evaluation of drug related problems in non-chemotherapy drugs and associated adverse drug reactions among cancer patients
8.	PV_014	Study of suspected adverse drug reactions (ADR) to black triangle drugs in a South Indian district: a prospective observational pilot study
9.	PV_015	Assessment of electrolyte imbalances induced by adverse drug reactions: a three-year retrospective study at Nirmala medical centre, Kerala
10.	PV_016	Identification of a novel signal congenital scoliosis for zopiclone through FDA FAERS database

RARE / INTERVENTIONAL CASE REPORTS

S #	Poster Code	Title
1.	CR_010	First case report of aviptadil induced tachyarrhythmias
2.	CR_011	Bevacizumab induced pneumonitis and features of nephrotic syndrome : a case report
3.	CR_013	A case report on amiodarone induced thyrotoxicosis
4.	CR_014	A case report on ATT induced hepatotoxicity
5.	CR_015	A case report on upper gastrointestinal bleeding caused by Dieulafoy's lesion
6.	CR_016	A case report on hemophagocytic lymphohistiocytosis
7.	CR_017	A case report on pseudomembranous colitis
8.	CR_018	Stiff person syndrome - a rare autoimmune neurological disorder
9.	CR_019	A prescribing cascade with ciprofloxacin in an elderly woman.
10.	CR_023	Papillary thyroid carcinoma with right cervical lymph node involvement: a case report
11.	CR_024	Peritoneal carcinomatosis and situs inversus totalis
12.	CR_025	A rare case report on bickerstaff encephalitis

CONCEPT MAPS

S #	Poster Code	Title
1.	CM_001	Efficacy of adjunctive fixed-dose combination of nutritional supplements in major depressive disorder
2.	CM_002	Medication therapy management of co morbid schizophrenia and Parkinson disease
3.	CM_003	Efficacy of adjunctive nutraceuticals in neuropathic pain
4.	CM_004	Development and validation of clinician rated tyrosine kinase inhibitor adverse effects rating scale
5.	CM_005	Reliability and validity of the Marathi version of udvalg for kliniske undersøgelse (UKU) side effects rating scale for patients (M-UKU-SERS-pat) diagnosed with bipolar disorder
